2019 EXCEPTIONAL CHILDREN EDUCATOR OF EXCELLENCE RECOGNITION

The Exceptional Children Division's 69th Conference on Exceptional Children will be held at the Koury Convention Center in Greensboro on November 20- 22, 2019. It is our desire to pay special tribute to educators of exceptional children and to present the 2019 Educator of Excellence Award to each nominee at the conference.

We will recognize one educator from each of the 115 traditional school systems, one each from the Division of Juvenile Justice and Delinquency Prevention, Division of Prison Education Services, Division of State Operated Healthcare Facilities, and Education Services for the Deaf and Blind Schools, and one educator per region from charter schools. Each educator will:

- Have special seating during the Thursday morning plenary session;
- Have his/her name listed with appropriate information in the conference program;
- Attend a ceremony in his/her honor on Thursday evening; and
- Have his/her picture displayed at the conference.

Each recipient of the Educator of Excellence Award will receive a **paid registration** to the general conference (excluding pre-conference institutes) and one roundtrip mileage reimbursement to and from the conference. It is the responsibility of the school system, charter school, or state operated program to reimburse the nominated teacher for lodging and subsistence. The nominee will be notified by the Exceptional Children Division regarding conference registration processes as an Educator of Excellence.

To facilitate the selection process, the Exceptional Children Division requests that:

- Local school systems identify one teacher or related service provider of exceptional children.
- Education Services for the Deaf and Blind identify one teacher or related service provider of exceptional children.
- Charter schools identify one teacher or related service provider of exceptional children (One per region will be selected).
- Division of Prison Education Services identify one teacher or related service provider of exceptional children from the schools under its oversight.
